

Guidelines for Visitor Play

“ The course just provides everything. It’s really demanding and you need to be precise with every shot you hit. ”

Brett Coletta

2016 Isuzu Queensland Open Champion

Welcome

Established in 1896, The Brisbane Golf Club is a premier golfing destination thanks to the vision of our founding members.

With great foresight, these pioneers of Australian golf built an exceptional golf course together with traditions and culture that has created the unique combination of challenging golf with unparalleled fellowship among members. 120 years later, we enjoy the benefits of their enthusiasm and energy every day.

Our heritage-listed Clubhouse stands proud and our members, most importantly, adore our 18-hole championship golf course, which is ranked in the Top 100 golf courses in Australia according to Golf Australia Magazine and Golf Digest Australia Magazine.

The Brisbane Golf Club is also the only golf course in Australia to have Champion greens, a putting surface installed on over 700 golf courses in the United States. Being the home of the Isuzu Queensland Open compliments our list of recent achievements.

Recently The Brisbane Golf Club was voted Queensland's favourite golf course and the fourth favourite golf course in Australia by readers of Australian Golf Magazine.

These guidelines have been prepared to ensure you enjoy your experience at The Brisbane Golf Club and details everything you need to know about playing our golf course.

If you have any questions prior or during your visit please don't hesitate to contact myself, our Director of Golf, Joe Janison or any of our friendly staff.

Yours sincerely

Geoff Kuehner
General Manager
