"Words cannot explain how thankful we are to the Brisbane Golf Club. From the minute we stepped onto the grounds, we knew this was where we wanted to say 'I do'. Lauren and her team are amazing, so easy to work with. The room looked fantastic, all the wedding colours we requested. Who could resist having a photo under that chandelier in the stair well! Thank you so much to all of that team that made our day that little bit more special."

"We recommend The Brisbane Golf Club. As a mature couple getting married, we did not want to have many of the extras that young couples have. The staff at Brisbane Golf Club listened to our needs and went beyond our expectations in helping us to achieve exactly the celebration that we wished for."
