## **RECIPROCAL AGREEMENT BETWEEN ROYAL CANBERRA GOLF CLUB AND BRISBANE GOLF CLUB**

This document sets out the arrangements agreed between **Royal Canberra Golf Club, ACT (RCGC)** and **Brisbane Golf Club, QLD** under which members of the two clubs will be accommodated for play, when visiting the other club.

### **PLAYING RIGHTS**

1. Subject to paragraph 5, a member of a reciprocal club visiting the other club (a "visiting member") will be extended the privileges as to use of the host club's course and facilities which are enjoyed by those members of the host club whose membership rights and privileges most closely approximate those of the visiting member (having regard to the visiting member's membership category at the reciprocal club).
2. Visiting playing rights will be extended only to visiting members who are playing members of the reciprocal club and whose usual place of residence is not in the host club's city.
3. Before using the host club's course or facilities an introductory letter or card from the reciprocal club, confirming the visiting member's identity, membership category and current Golf Australia handicap must be electronically forwarded to the host club.
4. The host club's rules and regulations will apply to the visiting member during the visit to the host club.
5. A visiting member exercising visiting playing rights at a host club may do so on not more than twelve (12) occasions in any calendar year.
6. A visiting member exercising visiting playing rights will not be required to pay any green fee to the host club.
7. Subject to course availability and prior approval by the Secretary Manager of the host club, a visiting member shall have the same rights to introduce guests as are applicable to a member of the host club. Such guests shall pay the current member-introduced visitor green fees.
8. Any purchases made by a visiting member at the host club must be settled, either by cash or credit card, on the day of the visit.
9. A visiting member is eligible to enter minor golf competitions conducted by the host club but may not enter major club competitions or any perpetual trophy event at the host club.
