1. Subject to such qualifications, restrictions and limitations contained herein, the following reciprocal rights for the specified categories of members are hereby arranged and agreed between The Brisbane Golf Club Inc and Tasmania Golf Club herein referred to as the "Reciprocal Club(s)".
2. All members with playing rights at either Reciprocal Club shall have full playing rights equivalent to that their home Club. "Green Fees" will not be charged.
3. For the purpose of 1 and 2 above "full playing rights" are defined as rights to:
 - Play golf at any time when the course is open for play, subject to such restrictions as may exist from time to time as decided by the Match Sub Committee in relation to the use of the Course during social or competitive play; and
 - Play in a Club competition and win a trophy, subject to payment of the prescribed competition entry fee; but not win Club Championships, Monthly Medal or Honour Board events, and have access to all available facilities and amenities of the Club subject to such conditions relating to the use therefore as may exist from time to time.
4. A visiting member must produce an introductory letter from their own club stating their category and membership and current handicap.
5. A visiting member may introduce guests in accordance with the club's normal guest and visitor policy and such guest(s) shall pay the normal green fee applicable to a guest playing with a full member.
6. Members of either Reciprocal Club are admitted as visitors to the other Club under the general terms and conditions prescribed in the Constitution, By-laws and Rules or other authoritative instructions of the Reciprocal Club.
7. Any expenses incurred during the visit must be paid for immediately.
8. Members who are staying longer than three months in any city are expected to transfer membership.
9. Financial members at any LGCA Club shall be entitled to transfer membership to any other LGCA member without being subject to a waiting list. Pro rata membership fees are to be exchanged between the effected members with the club member paying any additional annual subscription or entrance fee. i.e. If entrance fee is \$5,000 at Club A and the member had paid \$4,000 at their own club they would need to pay the additional \$1,000. If annual subscription is \$3,000 per annum at Club A and the member had paid \$2,000 at their own club they would need to pay an additional \$1,000 adjusted pro rata. In the case where entrance fees and subscription fees are lower there is no refund or credit to the member.

10. This agreement shall come into force until amended as may be mutually agreed between the Clubs or cancelled by either Club on giving six (6) month's notice in writing to the other Club.
