

Visitor Guidelines

“The course just provides everything. It’s really demanding, and you need to be precise with every shot you hit.”

Brett Coletta

2016 Isuzu Queensland Open Champion

Welcome

Established in 1896, The Brisbane Golf Club is a premier golfing destination thanks to the vision of our founding members.

With great foresight, these pioneers of Australian golf built an exceptional golf course together with traditions and culture that has created the unique combination of challenging golf with unparalleled fellowship among members. 120 years later, we enjoy the benefits of their enthusiasm and energy every day.

Our heritage-listed Clubhouse stands proud and our members, most importantly, adore our 18-hole championship golf course, which is ranked in the Top 100 golf courses in Australia according to Golf Australia Magazine and Golf Digest Australia Magazine.

The Brisbane Golf Club is also the only golf course in Australia to have Champion greens, a putting surface installed on over 700 golf courses in the United States.

The Brisbane Golf Club has hosted the Queensland Open on a record 21 occasions.

These guidelines have been prepared to ensure you enjoy your experience at The Brisbane Golf Club and details all you need to know about playing our golf course.

If you have any questions, please contact us. In the back of this document we have included a list of key contacts for your convenience.

Yours sincerely
