

Guidelines for New Members

Welcome

Established in 1896, The Brisbane Golf Club is a premier golfing destination thanks to the vision of our founding members.

With great foresight, these pioneers of Australian golf built an exceptional golf course together with traditions and culture that has created the unique combination of challenging golf with unparalleled fellowship among members. Every day we enjoy the benefits of their enthusiasm and energy. In 2021, the Club will celebrate its 125 year anniversary which we are extremely proud of.

Our heritage-listed Clubhouse stands proud and our members, most importantly, adore our 18-hole championship golf course, which is ranked in the Top 100 golf courses in Australia according to Golf Australia Magazine and Golf Digest Australia Magazine.

The Brisbane Golf Club is also the only golf course in Australia to have Champion greens, a putting surface installed on over 700 golf courses in the United States.

Hosting the Queensland Open on a record 21 occasions, with the last being in 2018, compliments our list of recent achievements.

These guidelines have been prepared to ensure you enjoy your experience at The Brisbane Golf Club and details everything you need to know about playing our golf course.

If you have any questions prior or during your visit please don't hesitate to contact myself, our Director of Golf, Joe Janison or any of our friendly staff.

Yours sincerely

Geoff Kuehner
Chief Executive Officer
